

Welcome To Our Clinic

Smoking Cessation Clinic

Vision:
Towards a smoke-free university community.

Mission:
To contribute to reducing smoking rates within the university by providing scientific awareness about the harms of tobacco and smoking in all its forms, and to assist those wishing to quit smoking by offering necessary medical advice.

ctives of the Smoking Cessation Clinic:

1- Spreading awareness about smoking in all its forms.

2- Organizing lectures and seminars by specialists on the importance of quitting smoking from a health, psychological, financial, and religious perspective.

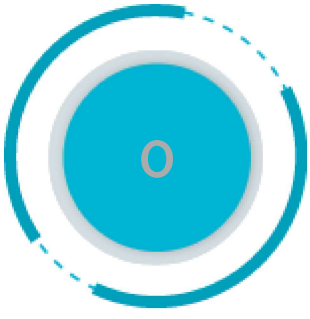

3- Participating in raising community awareness, especially among school students, about the dangers of this scourge.

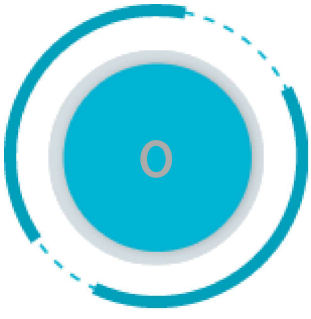

4- Organizing regular activities to highlight the role of students in combating this scourge.

5- Providing accurate medical advice to employees and students who wish to quit tobacco products and smoking.
