Student Housing Services

To ensure the comfort and convenience of students in meeting their daily needs, the Student Housing Department offers the following comprehensive services:

Internal Services

-Each building is equipped with seven kitchens featuring two gas stoves, two refrigerators, a microwave, a dining table, and overhead cabinets for storing groceries and kitchen utensils.

-A spacious study hall on each floor with desks, tables, and chairs for academic use.

-The ground floor of every building includes a service wing featuring:

-A lounge equipped with a TV and satellite for relaxation.

-A reception room for families during visits.

-A prayer room for students to perform religious duties.

-A laundry room with modern automatic washers and dryers.

-Heating during the winter months and hot water available throughout the year.

-High-speed wireless internet accessible in all student rooms and common areas.

-Cleaning staff available during the day to maintain hygiene in shared spaces.

-Air-conditioned studio rooms in Building B4 and Princess Basma Residence for students.

-Security cameras monitoring the entrances to ensure the safety and security of all residents.

External Services

-Dedicated shuttle buses operate throughout the day, transporting students between the residence buildings and university faculties until the end of the last class.

-A daily free shuttle service from student housing to the city of Irbid and back after class hours, allowing students to attend to their personal needs.

-A commercial complex offering essential services such as a cafeteria, dry cleaning, a bookstore, a mini-market, and a salon, all managed by private operators.

-24/7 healthcare services, including daytime medical clinics on campus and nighttime emergency and ambulance services through King Abdullah University Hospital.

-Round-the-clock maintenance services with a dedicated maintenance branch for student housing facilities.

Extracurricular and Student Life

The Student Housing Department is dedicated to enriching students' university experience beyond academics by encouraging participation in extracurricular activities. These initiatives play a crucial role in personal growth and creating a vibrant and

engaging campus life. Activities include:

-Recreational trips to explore Jordan's tourist attractions.

-Sports events, utilizing outdoor fields and the sports hall adjacent to the housing buildings.

-Cultural and educational activities, including workshops, competitions, and exhibitions designed to highlight students' talents and skills in various domains.

-Qualified supervisors are available 24/7 to manage the residences and provide

students with psychological, social, and academic counseling services.

We continuously strive to enhance and improve our services, aiming to provide students with an exceptional living experience and peace of mind for their families.
